Promoting Model Railroading For Over 40 Years

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using NTRAK and TTRAK modules. Any time we meet and/or display our work and promote this hobby, we would love to have you join us. This means that **ALL** of us have chances to participate in the hobby by helping with any or all of the following:

- Setting up / tearing down
- Running trains
- Sharing your knowledge
- Learning something new
- Answering questions
- Hosting a meeting

Notice that **NONE** of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains. Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events. **Come and join in the fun!**

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers. Opinions published here are solely those of the editor and/or the members of the organization. This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by its members.

For information or questions regarding our Society, please visit our website by scanning the QR code or visit us at

LENS EVENTS

1. Railfest

- March 15th and 16th will have LENS setting up once again at Lakeland community college for the largest train show in Lake, Ashtabula, and Geauga counties. Set up will be on Friday the 14th.

2. Mentor on the Lake Library

- MOTL Library reached out asking if LENS would be interested in doing another set up this year. Cody C. responded saying the club would probably be interested but would have to discuss at our next meeting.

**February Meeting
Mentor Public Library-Main
Garfield Room**

Sunday February 23rd @ 2pm.

We will be having the pre-Railfest sales table for all LENS members at this meeting. This is to allow members the first opportunity to buy/sell before the show.

See You At The Next Station!
